PROFESSIONAL EXPERIENCE

Open Source Contributor   2016 - now

Software Engineer

Create all kinds of crazy projects by utilize different programming languages.

I use Python, Javascript, Dart, Golang, Rust, Kotlin, Java, C#, C/CPP to solve problems.

For the frameworks I have used, it almost countless. But I could list some here.

For Python: Flask, FastAPI, Django, Numpy, Pandas, Keras, Pytorch, transformers, librosa, MoviePy, databases, pyboard

For Javascript/TS: React.js, Vue3, AntDesign, Element Plus, Electron, Express, mongoose

For Database: Sqlite, MySQL, MongoDB

For Protocols: RESTful API, Websocks, GRPC

For Flutter/Dart: Getx, hive, sqflite, auto_size_text

For Golang: Gin, GORM, telegram-bot-api, gox

For C#: Unity

For Java: Spring Boot

For Rust: tonic

For C/CPP: Arduino, MSP430

For CSS: SCSS, LESS, Tailwind CSS

Fargo Wealth Group   2021 - 2022

Software Engineer   ShenZhen

1. Use Python(Flask) and React(antdesin) to make research posts publish platform.

2. Use Flutter(getx) to make the home page of a stock app. It includes the market overview page and the detail page of a stock.

3. Use vue3(vite) and typescript to make the desktop version admin system that manages the process for a general stockbroker provider. (Including account opening and currency exchange

Details: https://matching.turing.com/developer-resume/bbb4fd3b756ddfbbd2c498cb67e12faf465db613aecc54

FinPoints   2022 - 2023

Software Engineer   Remote

1. Make their official websites.

2. Make email template system.

LEADERSHIP EXPERIENCE

PyCon China   2021

Speaker

I made a speech: https://bbs.csdn.net/topics/603121594

EDUCATION

Google   Jun 2015 - Now

Life and Coding

Google taught me a lot of things.

LiYang Crazy English

Fluent English Speaker

It's never too old to learn.

Library Genesis

Life Long Learner

As a beginner for one field, start from reading a book is a good idea.

Khan Academy

English Math Learner

Did you ever think Chinese Math Explanation sucks? That's why I learn high-level math in Khan Academy.

Nanjing Institute Of Railway Technology   Jun 2017 - Sep 2020

Communication and Information Technology, Associate Degree

1. College English Levels 4 and 6.

2. A lot of prizes for robot matches.

Beijing Jiaotong University   Jun 2021 - Sep 2023

Computer Science and Technology, Bachelor

1. College English Levels 4 and 6.

2. A lot of prizes for robot matches.
